62" Wide x 9" Deep x 2" High
Specify: Hearth Size
or Replace with Granite
Height / Width / Depth

Ensure that heat surrounds (ie firebox surround) and back wall protection meets both firebox manufacturer's specifications and local building codes for combustible items. 1 Layer of grey cement board on the back wall is not satisfactory for wall protection of heat source. 1 Year Limited Warranty by Manufacturer.

* All specifications subject to change without notice

Final product appearance may vary from this brochure. Request samples. All are natural products and there can be finish per batch or texture variances per product.
